

SYNERGY PURE[®] **HOP ESSENCES**

Synergy Pure[®] water soluble hop essences deliver full aromatic profiles and flavor characteristics of traditional dry hopping.

Authentic Taste | Easy to Use | Improves Yield

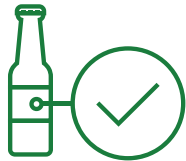

HOP ESSENCES

Authentic Taste, No Added Bitterness

Synergy Pure® Hop Essences contain the profile-defining characteristics of any hop varietal, providing great taste without imparting any added bitterness to your finished product. Containing only hops + water, our brewer-friendly hop essences enhance the fresh or dank top-notes with zero impact to beer ingredient statements.

Enhance hop profile
